There are no Nauru or Samoa supplements for 2017.

Many of our customers have Standing Orders for these pages and will receive them with the next batch of new issues. But if you are not covered by a Standing Order, you are most welcome to place orders. Extra postage will be added due to the non-standard size of the pages.

FIJI 2017 MISSING ISSUES

14 June 2017 – National Women's Expo and 28 September 2017 – Sand Dunes of Fiji are Issues still in transit between Fiji and Australia. Unfortunately we do not know when we will receive them, but we are hopeful they will be here in time for the next Warbler.

And to make things even more confusing, Fiji have supplied the first 3 issues for 2018 which we have included in this Warbler.

A NEW STAMP ISSUE FOR NAURU

After 7 years, we are aware of a new stamp issue for Nauru to commemorate the 50th Anniversary of Independence Day. Nauru Port Development Project – 2018, has a face value of 50 cents.

Unfortunately we have been unable to source a supply of these.

We will continue looking and will keep you updated in the Warbler.

NEW ZEALAND HAVE DISCONTINUED CHILDREN'S HEALTH STAMPS

The Post Office/NZ Post first issued surcharged stamps to support Children's Health Camps in 1929. For 87 years this continued, until 2017 when both NZ Post and the administrator of the health camps agreed to stop producing Health Stamps due to the decline in stamp sales.

Sadly the surcharge collected dropped below the break-even point to administer the program.

THE PACIFIC STAMP WEBSITE

As stated in our last newsletter, our new website has been launched. We have loaded the first batch of pictures for the issues which were contained in Warbler 216.

We intend to load a batch after every new Warbler to build up the number of pictures, especially recent issues, which are new to all our customers.

Once that runs smoothly, we will attach pictures to other issues on file, which we find are in high demand or need illustrating because of other reasons such as alternative designs or high values.

With the huge range of stamps which we normally have in stock, we will never have pictures for all items. If you require pictures for older issues, we do sell several different Stamp Catalogues as described in our previous Warbler.

Next Warbler: SEPTEMBER 2018

Cheerio from Gerry, Les & Lizzie
